Boiler Program – Renewal and New Application

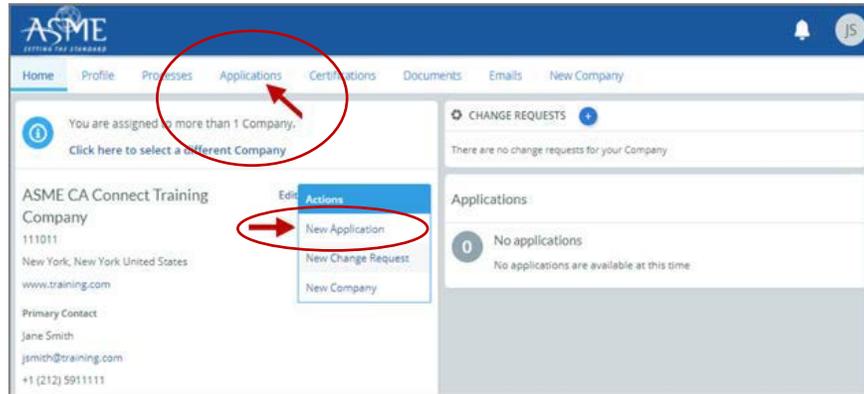

The information required to complete and submit an application for certification/ accreditation is grouped and divided into multiple tabs and steps.

The application tabs are **Profile**, **Certifications**, **Stamps**, **Travel**, **Billing**, and **Review**. Each tab consists of specific application details and downloading/uploading of files that are required and driven by the Program Type.

In order to submit an application, you must complete all required information found in each of the tabs.

1. To begin the process of renewing your certification, you must be logged into CA Connect as the company's Primary Contact.
2. Select the Applications tab found on the Company dashboard menu bar or the New Application link that is in the Actions box.

3. On the right side of your Applications page, click the blue circle (+) icon to create a new application.

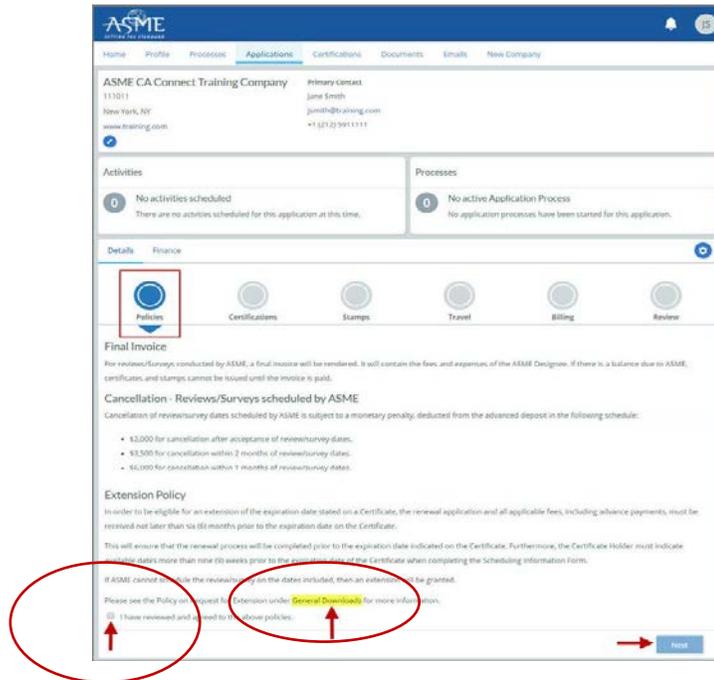

4. The first Application tab is the **Policies** tab. Review all information.
5. Scroll down the page to the **Extension Policy** section.

6. If you want to see the policy relating to a Request for Extension, select the General Downloads link. You will be directed to the ASME.org website Downloadable Resources page.

a. After reviewing the Downloadable Resources, close the page and return to the Policies Tab.

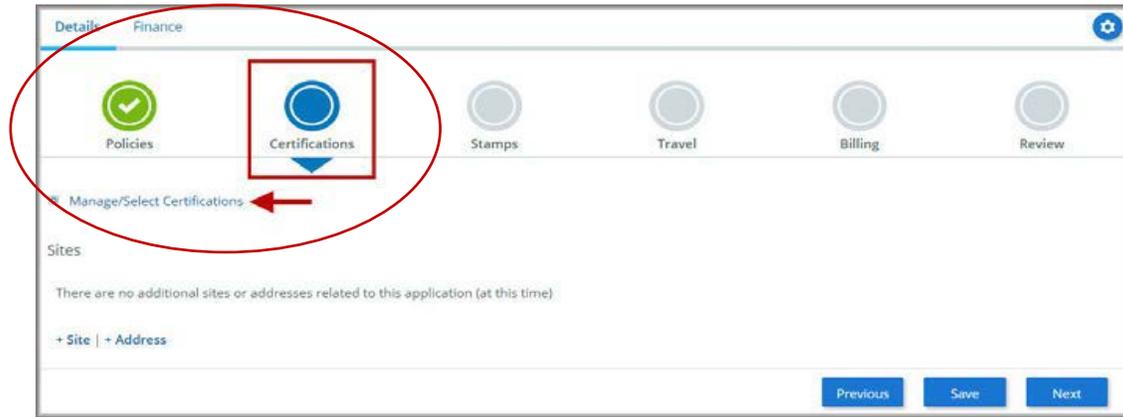

7. Check **I have reviewed and agreed to the above policies** checkbox.

8. The Policies tab is updated to reflect a green checkmark. The application data processing will advance to the **Certifications tab**.

9. Click the Manage/Select Certifications link or checkbox.

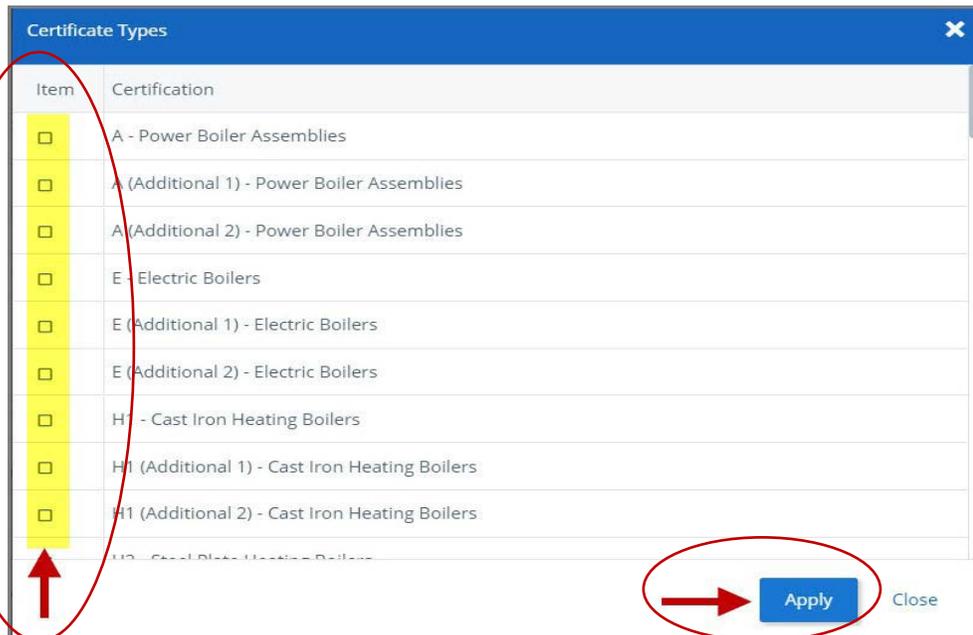

10. The Certificate Types form is displayed. Select the **Boiler** certificate type associated with the certificate you are renewing.

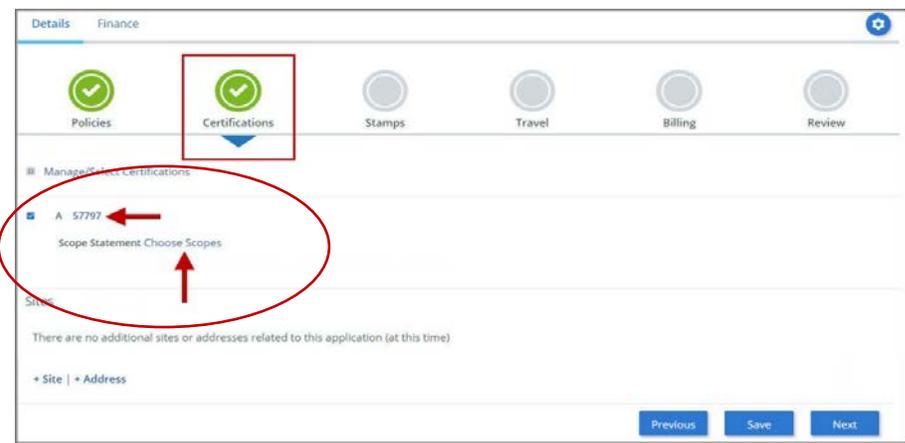

11. If you are applying for a **new certificate** as well, select the new certificate type.

12. When done, click **Apply** to continue.

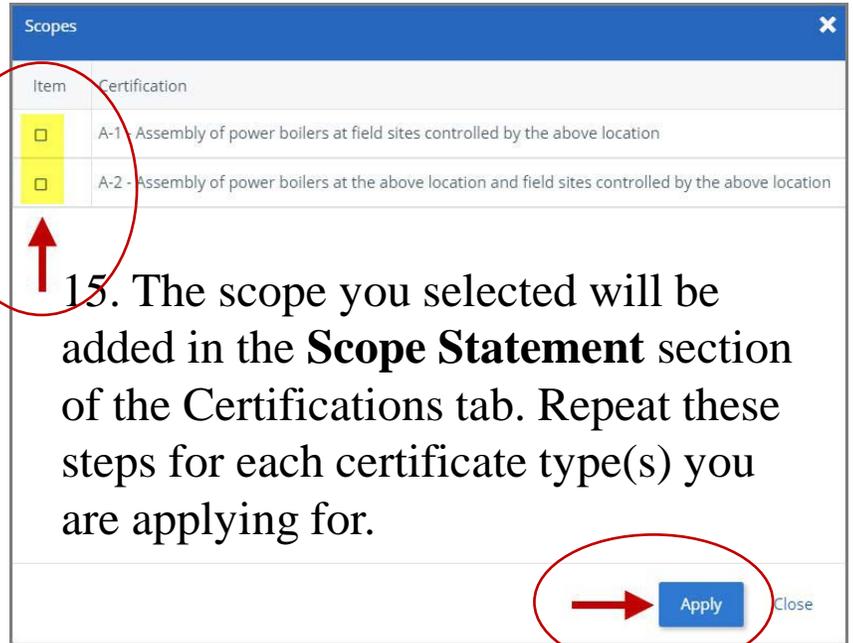

13. The Boiler Certificate Type(s) you selected will be added to the Certifications tab. Click the Choose Scopes link.

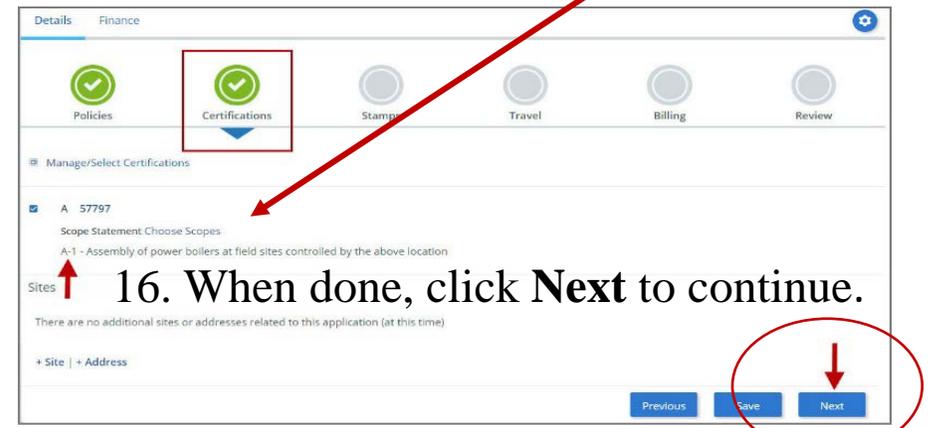

14. Relevant scopes will appear in the Scopes form. Select one or more scope statements applicable to the certificate type, then click Apply to continue.

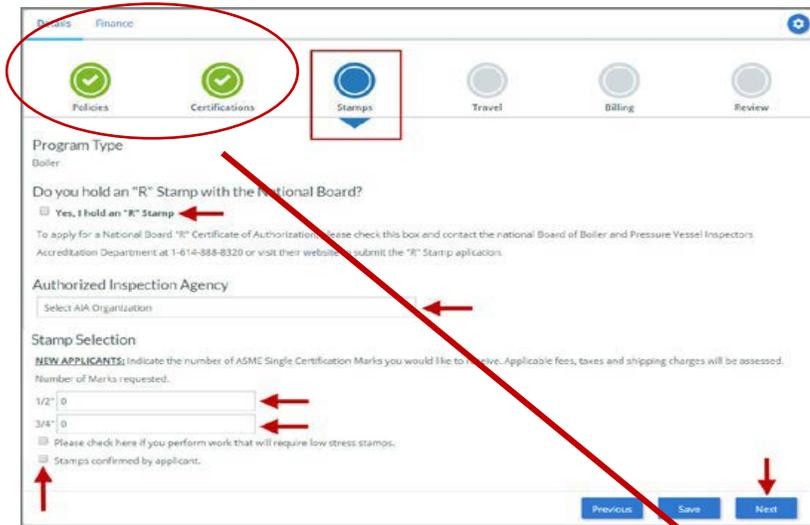

15. The scope you selected will be added in the **Scope Statement** section of the Certifications tab. Repeat these steps for each certificate type(s) you are applying for.

17. The Certifications tab is updated to reflect a green checkmark. The application data processing will advance to the **Stamps** tab.

18. Select an **Authorized Inspection Agency** from the list of AIA Organizations by clicking on the down arrow. Select the Authorized Inspection Agency.

The screenshot shows a web application interface with a navigation bar at the top containing tabs: Policies, Certifications, Stamps, Travel, Billing, and Review. The Certifications and Stamps tabs are highlighted with red boxes and green checkmarks. Below the navigation bar, the form content includes a 'Program Type' section with 'Boiler' selected, a question about holding an 'R' Stamp, an 'Authorized Inspection Agency' dropdown menu, and a 'Stamp Selection' section with input fields for '1/2\"

19. The **Stamps** tab is updated to reflect a **green checkmark**. The application data processing will advance to the **Travel** tab.

20. The **Company Name** is displayed as a link under the Location Name label. **Click on the link.**
